Revised South West SELPA Behavior Support Plan (BSP)

Presenters: Patricia Lopez, M.A., B.C.B.A., LACOE School Psychologist

Diane Perry, Ph.D., B.C.B.A., LACOE School Psychologist

Date: Thursday, January 12, 2012

Time: 3:30 p.m.-5:00 p.m.

Cost: FREE

Audience: Classroom Teachers

Place: Southwest SELPA Auditorium – 320 Knob Hill Avenue, Redondo Beach, CA

Content: This training will provide foundational information on the SEIS Behavior Support Plan (BSP). Each section will be discussed. Participants will have an opportunity to practice developing a BSP and ask questions. The content covered will be most applicable for teachers who have limited knowledge about behavior support plans.

Outcomes:

1. Participants will be exposed to basic principles of Applied Behavior Analysis (i.e. antecedents, behaviors, consequences, behavior functions).
2. Participants will be given examples of information for each section of the behavior support plan.
3. Participants will be given samples of behavior data collection forms.
3. Participants will be given a manual to help guide them as they develop behavior support plans.
